DIRECTOR'S CORNER

By Max Rowlett, Chapter Director

Hello February! What do you have in store for us? Let us start out with back-to-back winter cold fronts with a touch of snow. We can connect with our inner child and go outside and make snowmen and snow angels. That would last a good five minutes and be over. We could all sign up for our chapter Medic First Aid Class on Saturday, February 5th to retain our Levels Certification. How about a movie at the Liberty Theatres on Friday evening, February 11th? You are in the mood for a good movie, aren't you? Most of our members have a sweet tooth for ice cream! The new Elgin Braum's Ice Cream Store is set to have its Grand Opening on February 15th. We need to go about 6:30 pm and perform Quality Control on their Banana Splits and Sundaes. We will discuss all this at this month's meeting. Hope to see you there.

During the two upcoming cold fronts would be a good time to examine your riding gear and make repairs or replace some worn items. Check the seams on your riding gloves and riding jackets for frays or splits. We wear our gear in all types of inclement weather and the moisture, heat, and cold causes the material to deteriorate over time. You wouldn't want it to fail you at a critical time. Check your helmet to insure it still fits properly. Put the helmet on, secure the retaining strap, and gently turn the helmet from side to side while holding your head straight. If you have noticeable movement of the helmet, you may want to contact the helmet manufacturer for replacement cheek pads or even replace the helmet.

That is all I have for now. Keep the shiny side up and we'll meet you down the road.!

Ride Safe!
Max R.
