

March 2021 Chapter OK-P Newsletter

In person activities continue to be restricted due to COVID and adverse weather situations. On the upside, more and more of us are receiving our COVID vaccinations – and overall infection rates continue to drop. We are going to continue to plan and try to hold in person Gatherings and other events. But will need to assess pretty close to the activity dates if they will actually be held. So, continue to watch for E-Mails and GroupWorks for the latest information.

Upcoming Events

Bill Denny has planned a fun Day Trip for us. A visit to the **Zena Suri Alpacas Ranch** is set up for **March 31st**. We will meet at the Chick-Fil-A restaurant in Claremore at 11:30 for lunch on their patio. We will then ride (bikes or cars) to the Ranch near Jay about 57 miles away. Additional details have also been posted on OK-P's GroupWorks site. All of course is weather dependent since this will be an outdoor activity. So continue to watch E-Mail and GroupWorks for information updates.

Several activities are in the pipeline going forward in 2021. Chapter P will be camping at Heyburn Lake in May (anyone wanting to camp in the pavilion circle needs to contact Frank Thurston to pay for their spot), we have our Anniversary in August and a number of other trips and gatherings are in the planning stages. Attached to this newsletter are GWRRA events planned countrywide. The OK District is also going to have a BINGO contest to encourage travel and interactions with other Chapters. Many of which can be completed with appropriate virus precautions being followed.

Friday Dinner Rides

Due to virus concerns, again we will have to decide as time goes by what the exposure levels are and how comfortable everyone is with actually completing Dinner Rides. So continue to watch e-mail & GroupWorks for updated information.
